Who and what we are ... Collectively for over 66 years we are two separate entities uniquely designed under one roof - a public banquet facility and private billiard club that either of which (independently or collectively) host small to mid size planned parties and special events to accommodate 20 to 120 guests. Unique special events ranging from traditional family celebrations of life (Anniversaries, Graduations, Birthdays, Showers, Weddings, etc.), to corporate team building meetings, school, church, fund raisers and community events.

Who and what we are not ... We are not simply the all too typical restaurant, gaming arcade, pool room, bar room, banquet room or any form of traditional public place of amusement.

Hours ... To host private functions for the public our 100 seat dining room is available all 7 days a week. The restaurant side of our facilities is open to the public for dinner two evenings a week - Wednesday and Friday, serving between 6 PM and 8 PM - 9 PM closing - upon occasion advance reservations can be placed for extended hours to use the private billiard club after dinner. Saturdays and Sundays are reserved for private parties, banquets and special events only.
